ROYAL MILITARY COLLEGE OF CANADA

DUTY
TRUTH
VALOUR

THE Royal Military College of Canada is the only National Educational Institution in the Dominion and is specially designed to furnish the Gentlemen Cadets with a high scientific and academic education which will provide the foundation for their success in either civil or military life.

Commissions in the British Regular Army, Indian Army, Royal Air Force, Canadian Permanent Force and Royal Canadian Air Force are offered annually to Graduates.

A limited number of Naval Cadetships are available to Gentlemen Cadets who successfully complete the first two years at the Royal Military College, and who desire to obtain commissions in the Royal Navy or Royal Canadian Navy.

A Diploma of Graduation from the Royal Military College is accepted by the principal Universities of Canada as equivalent, subject for subject, to those covered in the first three years of the university course

The length of the course is four years in four terms of about ten months each, and the total cost of the course, including accommodation, board, uniform, instructional materials, etc., is about $1,500.

Candidates must be between 16 and 19 years of age on the 1st January of the year in which they enter the College. The entrance qualifications are Junior Matriculation in Arts or Science or the accepted equivalent examination for the Province in which the candidate resides. Vacancies are allotted, according to population, to the respective Provinces, and are filled in order of merit obtained by candidates in the examinations above mentioned.

Applications, accompanied by certified abstract from Birth Register, in duplicate, and certificate of good moral character, signed by the clergyman of the place of worship the candidate usually attends, or by the head of the school or college at which he has received his education for at least two preceding years, should be submitted before the 31st May to

WARRANTS, REGULATIONS, ETC.

THE VICTORIA CROSS WARRANT.

GEORGE R.I.

Whereas Her late Majesty Queen Victoria, by a Warrant under Her Royal Sign Manual dated 29th January, 1856, did create a Naval and Military Decoration to be styled and designated "The Victoria Cross", and did express Her desire that this decoration should be highly prized and eagerly sought after by the Officers and Men of Her Naval and Military Services.

And Whereas by divers subsequent Warrants other Officers and Men were admitted to and made eligible for the decoration, and certain amendments were made to the Rules and Ordinances attaching thereto.

And Whereas We deem it expedient that the said Warrant and subsequent Warrants before referred to, as also the Rules and Ordinances affecting the same, shall be consolidated, varied and extended.

Now, Therefore, We do hereby declare that the said Warrants, and the Rules and Ordinances heretofore in force for the Government of the said Decoration, shall for that purpose be amended, varied, modified and extended; and in substitution thereof We by these presents, for Us, Our Heirs and Successors, are graciously pleased to make, ordain and establish the following Rules and Ordinances for the Government of the same which shall from henceforth be inviolably observed and kept:—

Firstly, it is ordained that the distinction shall as heretofore be styled and designated "The Victoria Cross", and shall consist of a Maltese Cross of bronze with Our Royal Crest in the centre and underneath it an escroll bearing this inscription: "For Valour."

Secondly, it is ordained that the Cross shall be suspended from the left breast by a red riband, and on those occasions when only the riband is worn a replica of the Cross in miniature shall be affixed to the centre of the riband.

Thirdly, it is ordained that the Cross shall only be awarded for most conspicuous bravery or some daring or pre-eminent act of valour or self-sacrifice or extreme devotion to duty in the presence of the enemy.

Fourthly, it is ordained that the Cross may be awarded posthumously.

Fifthly, it is ordained that the names of all those persons upon or on account of whom We may be pleased to confer or present the decoration shall be published in the London Gazette, and a Registry thereof kept in the Office of Our Secretary of State for War.

Sixthly, it is ordained that:—

(1) Officers, Warrant Officers and subordinate Officers hereinafter referred to as Officers, Chief Petty Officers and Petty Officers hereinafter referred to as Petty Officers, men and boys hereinafter referred to as Seamen, serving in—(a) our Navy or in ships of any description for the time being under Naval Command; (b) our Indian Marine Service; (c) Navies or Marine Services of our Dominions, Colonies, Dependencies or Protectorates; and (d) our Mercantile Marine whilst serving under Naval or Military Authority, or who in the course of their duties may become subject to enemy action;

(2) Officers, Warrant Officers, Non-Commissioned Officers, men and boys hereinafter referred to as Marines, serving in our Marines;

(3) Officers, Warrant Officers (Classes I and II), Non-Commissioned Officers, men and boys hereinafter referred to as Privates, of all ranks serving in our Army, our Army Reserve, our Territorial or other forces, and the Forces of our Dominions, Colonies, Dependencies or Protectorates;

(4) Officers, Warrant Officers, Non-Commissioned Officers, and Airmen in the ranks of our Air Force, or the Air Forces of our Dominions, Colonies, Dependencies or Protectorates;

(5) British and Indian Officers and men of all ranks of our Indian Army, the Imperial Service Troops of Native States of India, or any other Forces there serving under the Command, guidance, or direction of any British or Indian Officer, or of a Political Officer attached to such Forces on our behalf, and

(6) Matrons, sisters, nurses and the staff of the Nursing Services and other services pertaining to Hospitals and Nursing, and Civilians of either sex serving regularly or temporarily under the Orders, direction or supervision of any of the above mentioned Forces shall be eligible for the decoration of the Cross.

Seventhly, it is ordained that if any recipient of the Cross shall again perform such an act of bravery as would have made him or her eligible to receive the Cross, such further act of bravery shall be recorded by a Bar to be attached to the Riband by which the Cross is suspended, and for every such additional act of bravery, an additional Bar shall be added, and any such Bar or Bars may be awarded posthumously.

For every Bar awarded a replica of the Cross in miniature shall be added to the riband when worn alone.

Eighthly, it is ordained that every recommendation for the award of the Decoration of the Cross shall be made and reported through the usual channel to the Senior Naval, Military or Air Force Officer Commanding the Force, who shall call for such description, conclusive proof as far as the circumstances of the case will allow and attestation of the act as he may think requisite, and if he approves he shall recommend the grant of the decoration to Our Lords Commissioners of the Admiralty, Our Secretary of State for War and the Royal Air Force as the case may be, who shall submit to Us the names of every one so recommended whom they shall consider worthy; in the case of there being no British or Indian Officer, then the Political Officer attached to the Force shall, after obtaining conclusive proof of the act of bravery as far as is possible if he approve, submit the recommendation to Us through the proper channels.

Ninthly, it is ordained that in the event of any unit of our Naval, Military or Air Forces, consisting in the case of our Navy of a squadron, flotilla or ship's company, or of a detached body of seamen or marines; or in the case of our Army of a regiment, squadron, battery or company, or of a detached body of soldiers; or in the case of our Air Force of a squadron or other body of airmen, having distinguished itself collectively by the performance of an act of heroic gallantry or daring in the presence of the enemy in such a way that the Admiral, General or other Officer in Command of the Force to which such a unit belongs, is unable to single out any individual as specially pre-eminent, in gallantry or daring, then one or more of the officers, warrant officers, petty officers, non-commissioned officers, seamen, marines, private soldiers or airmen in the ranks comprising the unit shall be selected to be recommended to Us for the award of the Victoria Cross in the following manner:—

(a) When the total personnel of the unit does not exceed 100, then one officer shall be selected for the decoration by the officers engaged; and in like manner one warrant officer or petty officer or non-commissioned officer of the unit shall be selected by the warrant officers, petty officers or non-commissioned officers engaged, and one seaman, marine, private soldier or airman in the ranks shall be selected by the seamen, marines, private soldiers or airmen in the ranks engaged.

(b) When the total personnel of the unit exceeds 100 but does not exceed 200, then the number of seamen, marines, private soldiers or airmen in the ranks to be selected in the manner described in (a) shall be increased to two.

(c) When the total personnel of the unit exceeds 200 in number, the number of the Crosses to be awarded in accordance with these provisions shall be subject of special consideration by Our Lords Commissioners of the Admiralty or by one of Our Secretaries of State for submission to Us.

(d) The Selection to be by a secret ballot in such manner as shall be determined in accordance with the foregoing provisions by the officer directing the selection to be made.

(e) The death of any person engaged shall not be a bar to his selection.

(f) The names of the persons recommended in accordance with these provisions shall be submitted to Us in the manner laid down in Rule 8.

Tenthly, it is ordained that every recipient of the Cross, not being nor ranking as a Commissioned Officer nor in the case of Our Navy, being or ranking with a warrant officer, nor coming within Rule 11, shall from the date of the act by which the decoration has been gained, be entitled to a special pension of Ten Pounds a year, and each additional Bar conferred under Rule 7 on such recipient shall carry with it an additional pension of Five Pounds per annum.

In the case of a Warrant or Non-Commissioned officer or soldier of Our Indian Army aforesaid We ordain and award a special pension of One hundred and fifty rupees, with Seventy-five rupees additional for each additional Bar. On the death of these recipients of the Cross these pensions shall be continued to his widow until her death or remarriage.

Twelfthly, in order to make such additional provision as shall effectually maintain pure this most honourable distinction, it is ordained that if any person on whom such distinction shall be conferred be convicted of treason, cowardice, felony, or of any infamous crime, or if he or she be accused of any such offence and doth not after a reasonable time surrender himself or herself to be tried for the same, his or her name shall, by an especial Warrant under Our Royal Sign Manual, forthwith be erased from the registry of individuals upon whom the said decoration shall have been conferred and the pension conferred under Rules 10 and 11 shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstances demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the decoration and pension, and notice thereof of expulsion or restoration in every case shall be published in the London Gazette.

(4) that We, Our Heirs and Successors, shall at all times have power to restore a forfeited Military Cross and with it such pension or gratuity as may have been forfeited;

(5) that a notice of forfeiture or of restoration shall in every case be published in the London Gazette.

THIRDLY, it is ordained that the Decoration may be worn by the Queen Regnant, the Queen Consort, or the Queen Dowager of the United Kingdom of Great Britain and Ireland, and that it shall be competent for Us, Our Heirs and Successors to confer either class of the Decoration upon any of the Princesses of the Royal Family of Great Britain and Ireland; also upon the Queens or Princesses of Foreign Countries who may have specially exerted themselves in providing for the nursing of the sick and wounded of Foreign Armies and Navies.

FOURTHLY, it is ordained that the First Class of the Decoration may be conferred upon a fully trained Nurse who is a member of one of the officially recognized Nursing Services, and who has shown exceptional devotion and competency in the performance of actual nursing duties with Our Army in the Field, or in Our Naval, Military, or Air Force Hospitals, or in an Auxiliary War Hospital, over a continuous and long period, or who has performed some very exceptional act of bravery and devotion at her post of duty; and whose name has been brought to Our Notice by Our Secretary of State for War, Our First Lord of the Admiralty, or Our Secretary of State for Air.

Eleventhly, it is ordained that the names of those upon whom We may be pleased to confer the Decorations shall be published in the London Gazette, and a register thereof kept in the office of Our Secretary of State for War.

THE EFFICIENCY DECORATION

GEORGE R.I.

George the Fifth, by the Grace of God, of Great Britain, Ireland, and the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, to all to whom these Presents shall come, Greeting!

Whereas Her late Majesty Queen Victoria by a Warrant under Her Sign Manual dated the 25th day of July, 1892, did institute and create a Decoration to be styled and designated "The Volunteer Officers' Decoration" to reward the long and meritorious service of Officers of proved capacity in Our Volunteer Force in Great Britain and did by a Warrant under Her Sign Manual dated the 24th day of May, 1894, extend the grant of such Decoration to Officers of Our Volunteer Forces throughout the Empire;

And Whereas Her late Majesty by a Warrant under Her Sign Manual dated the 18th day of May, 1899, did institute and create a Decoration to be styled and designated "The Colonial Auxiliary Forces Officers' Decoration" to be awarded to Officers of Our Colonial Auxiliary Forces in recognition of long and meritorious service instead of the aforesaid Volunteer Officers' Decoration;

And Whereas His late Majesty King Edward the Seventh by a Warrant under His Sign Manual dated the 17th day of August, 1908, did institute and create a Decoration to be styled and designated "The Territorial Decoration" to reward the long and meritorious service of Officers of proved capacity in Our Territorial Force.

And Whereas We are desirous of instituting a new Decoration to replace the aforesaid Decorations in order that throughout Our Empire and territories under Our protection there may be one Decoration to reward the long and meritorious service of Officers of Our Territorial Army in Great Britain, hereinafter referred to as Our Territorial Army, and of the other authorized Auxiliary Military Forces of our Empire and territories under Our protection, hereinafter referred to as the other Auxiliary Military Forces of Our Empire, and that thereby the Imperial character of such service may be recognized.

Now, Therefore, It is Our Will and Pleasure that the grant of the aforesaid Decorations shall be discontinued for future service and in lieu thereof We have instituted, constituted and created and by these Presents for Us, Our Heirs and Successors, do institute, constitute and create a new Decoration which We are desirous should be highly prized by the Officers of Our Territorial Army and of the other Auxiliary Military Forces of Our Empire; and We are graciously pleased to make, ordain and establish the following rules and ordinances for the governance of the same which shall henceforth be inviolably observed and kept:—

Firstly.—It is ordained that the Decoration shall be styled and designated "The Efficiency Decoration" and shall consist of an oak wreath in silver tied with gold, having in the centre the Royal Cipher and Crown in gold.

Secondly.—It is ordained that the Decoration shall be worn suspended on the left breast from a silver bar-brooch by a green ribbon one inch and a half in width, with a yellow stripe down the centre.

Thirdly.—It is ordained that the Decoration shall in all cases bear a subsidiary title to denote whether at the time the recipient qualified for the award of the Decoration he was serving in Our Territorial Army or in one of the other Auxiliary Military Forces of Our Empire; such subsidiary title being specified in the regulations hereinafter mentioned and inscribed on the bar-brooch of the Decoration.

Fourthly.—It is ordained that the Decoration may be worn by Us, Our Heirs and Successors, Kings and Queens Regnant of Great Britain, Ireland and the British Dominions beyond the Seas; and that it shall be competent for Us, our Heirs and Successors, to confer at Our Pleasure the Decoration upon any Princes of the Blood Royal.

Fifthly.—It is ordained that the Decoration shall be conferred on duly qualified Commissioned Officers of Our Territorial Army and of any other Auxiliary Military Forces of Our Empire.

Sixthly.—It is ordained that the period of service requisite to qualify for the Decoration shall be twenty years' commissioned service on the active list of the aforesaid forces including commissioned service with Our Officers Training Corps, provided always that in the case of recipients of The Volunteer Officers' Decoration, The Territorial Decoration and The Colonial Auxiliary Forces Officers' Decoration no period of service in the force in which they qualified for any of the Decorations aforesaid shall be reckoned as qualifying service for The Efficiency Decoration.

Seventhly.—It is ordained that half the time served on the active list in the ranks of the aforesaid forces shall reckon as qualifying service for the Decoration, subject to such conditions as may be laid down in the regulations hereinafter mentioned.

Eighthly.—It is ordained that commissioned service rendered wholly in one of the aforeasid forces; or partly in Our Territorial Army, partly in one or more of the other Auxiliary Military Forces of Our Empire, or partly in the Naval or Air Auxiliary or Volunteer Forces of Our Empire or territories under Our protection as may be defined in the regulations hereinafter mentioned shall reckon as qualifying service for the Decoration.

Ninthly.—It is ordained that half the time spent in the ranks of a Cadet force or as a Cadet in an Officers Training Corps, as defined in the regulations hereinafter mentioned, shall reckon as qualifying service for the Decoration subject to such conditions as may be laid down in the regulations hereinafter mentioned.

Tenthly.—It is ordained that service in West Africa (except that performed by natives of West Africa) shall reckon twofold as qualifying service for the Decoration, but any period spent on leave therefrom shall reckon only as single qualifying service.

Eleventhly.—It is ordained that such war service as may be defined from time to time in the regulations hereinafter mentioned shall reckon two-fold as qualifying service, or as single qualifying service towards the twenty years' service required as aforesaid; and that war service not so defined shall not reckon as qualifying service; Provided that nothing in this Our Warrant shall permit service to reckon more than two-fold as qualifying service for the Decoration.

Twelfthly.—It is ordained that the service requisite to qualify for the Decoration shall not necessarily be continuous service.

Thirteenthly.—It is ordained that service on the permanent staff of any of the aforesaid forces by members of the permanent forces of Our Empire, or territories under Our protection, or service in a Reserve or Auxiliary Force involving a liability for service only and no liability for training in peace, shall not reckon as qualifying service for the Decoration.

Fourteenthly.—It is ordained that the recipient of any Long Service and Good Conduct or Efficiency Medal or Clasps for service in the ranks shall not be permitted to wear such Medals or Clasps with the Efficiency Decoration until he has completed the full periods of qualifying service in respect of each Medal or Clasp and Decoration.

Fifteenthly.—It is ordained that an Officer who has the necessary qualifying service must be recommended by the Commanding Officer of the Unit in which he completes the period of service requisite to qualify for the Decoration, and be certified by the responsible military authorities as an efficient and thoroughly capable officer in every way deserving of the Decoration.

Sixteenthly.—It is ordained that the Decoration shall not confer any individual precedence but shall entitle the recipient, if an Officer of Our Territorial Army, to the addition after his name of the letters T.D. and, if an Officer of one of the other Auxiliary Military Forces of Our Empire, to the addition after his name of the letters E.D.

Seventeenthly.—It is ordained that reproductions of the Decoration in miniature which may be worn on certain occasions by those upon whom the Decoration has been conferred shall be half the size of The Efficiency Decoration and that a Sealed Pattern of the said miniature Decoration shall be deposited and kept in the Central Chancery of Our Orders of Knighthood.

Eighteenthly.—It is ordained that the names of those upon whom the Decoration is conferred shall be published and a Register thereof kept in the manner prescribed in the regulations hereinafter mentioned.

Nineteenthly.—It is ordained that it shall be competent for Us, Our Heirs and Successors, by an Order under Our Sign Manual on a recommendation to that effect by or through Our Secretary of State for War to cancel and annul, in respect of any member of Our Territorial Army the award of The Efficiency Decoration to any person and that thereupon his name in the Register shall be erased, but that it shall be competent for Us, Our Heirs and Successors to restore the Decoration, when such recommendation has beem withdrawn; Provided that such powers shall be exercised by the Governors-General, Governors or Officers administering the Government, as the case may be, in regard to the Auxiliary Military Forces of Our respective Dominions, Colonies, or territories under Our protection; or by Our Viceroy in regard to the Auxiliary Military Forces in India.

Twentiethly.—It is ordained that the Decoration shall be conferred under such regulations as to grant, forfeiture, restoration, and other matters, in amplification of these Our rules and ordinances as may, with Our approval signified through one of Our Principal Secretaries of State, be issued from time to time by Our Army Council in regard to Our Territorial Army, or by the Governors-General, Governors or Officers administering the Government as the case may be, in regard to the Auxiliary Military Forces of Our respective Dominions, Colonies, or territories under Our protection, or by Our Viceroy in regard to the Auxiliary Military Forces in India.

Lastly.—We reserve to Ourself, Our Heirs and Successors, full power of annulling, altering, abrogating, augmenting, interpreting or dispensing with these rules and ordinances, or any part thereof, by a notification under Our Sign Manual.

Given at Our Court at St. James's, this 23rd day of September, 1930, in the 21st year of Our Reign, and in the year of Our Lord, one thousand nine hundred and thirty.

By His Majesty's Command,
T. SHAW.

REGULATIONS RESPECTING FOREIGN ORDERS AND MEDALS APPLICABLE TO PERSONS IN THE SERVICE OF THE CROWN.

Orders.

1. It is the King's wish that no subject of His Majesty in the service of the Crown shall accept and wear the Insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either:—

(a) By Warrant under the Royal Sign Manual, or

(b) By restricted permission conveyed through His Majesty's Private Secretary.

2. Permission given by Warrant under the Royal Sign Manual will enable the Insignia of the Foreign Order to be worn at all times and without any restriction.

Restricted permission will only enable the Insignia to be worn on the occasions specified in the terms of the letter from the King's Private Secretary conveying the Royal Sanction.

3. Full and unrestricted permission by Warrant under the Royal Sign Manual is contemplated in the following cases:—

For a Decoration conferred—

On an Officer in His Majesty's Naval or Military Forces lent to a Foreign Government; on an Officer in His Majesty's Naval or Military Forces attached by His Government to a Foreign Navy or Army during hostilities; or on any British Official lent to a Foreign Government and not in receipt of any emoluments from British public funds during the period of such loan.

Red Cross and kindred service will only be regarded as "valuable" for the purposes of these Regulations when they have been rendered in a war in which the Empire has itself been engaged, and when the Decoration for the wearing of which permission is sought has been conferred by an Allied State.

4. Restricted permission is contemplated for Decorations which have been conferred in recognition of personal attention to the Head of a Foreign State, and which are therefore of a more or less complimentary character, and will, as a rule, only be given on exceptional occasions when in the public interest and for political reasons it is deemed expedient that the acceptance of a Foreign Decoration should not be declined. Restricted permission will generally be given in the following cases:—

For a Decoration conferred—

(1) On British Ambassadors or Ministers abroad when the King pays a State visit to the country to which they are accredited;

(Note.—A State visit is defined as one on which the King is accompanied by a Minister or High Official in attendance.)

(2) On Members of Deputations, of British Regiments to Foreign Heads or States;

(3) On Members of Special Missions when the King is represented at a Foreign Coronation, Wedding, or Funeral; or on any Diplomatic Representative when specially accredited to represent His Majesty on such occasions; and such members of His Staff who actually attended the ceremonies in their official capacity;

(4) On Naval and Military Attaches only after completion of five years' service at the post to which they are appointed in that capacity;

5. Private or restricted permission will not be given to—

(1) British Ambassadors or Ministers abroad when leaving;
(2) Members of British Missions announcing the Accession of a Sovereign;
(3) British Officers attending Foreign Manœuvres;
(4) Naval Officers of British Squadrons visiting Foreign Waters.

6. The desire of the Head of a Foreign State to confer upon a British subject in the service of the Crown the Insignia of an order, must be notified to His Majesty's Principal Secretary of State for Foreign Affairs either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through his Diplomatic Representative at the Court of St. James.

7. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause a Warrant, if it be a case for the issue of a Warrant as defined in Rule 2, to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of 10s.

8. The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms. Every such Warrant as aforesaid shall contain a clause providing that His Majesty's license and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realms.

9. When a British subject in the Service of the Crown has received the Royal permission, full or restricted, to accept and wear the Decoration of a Foreign Order, he will not be allowed to accept and wear the Decoration of a higher class of the same Order without His Majesty's approval, which will only be given if the higher honour is being conferred in circumstances contemplated by these Regulations.

Medals.

10. Medals conferred by the Head or a Government of a Foreign State for saving or attempting to save life at sea or on land may be accepted and worn without His Majesty's special permission.

11. Other Medals, with the exceptions specified below, are subject to the Regulations in the same manner as orders, but permission is given by Letter and not by Royal Warrant.

12. In the case of Medals for Red Cross services, permission will only be granted in the conditions laid down in Rule 3 above.

13. Applications for His Majesty's permission to wear Medals conferred by Private Societies or Institutions and Commemorative Medals cannot be entertained.

14. The King's unrestricted permission to accept and wear a Foreign War Medal will only be given to—(1) Officers of His Majesty's Military or Naval Forces if serving with a Foreign Army or Navy with His Majesty's license, and (2) Military or Naval Attaches or other Officers officially attached to Foreign Armies or Navies during hostilities.

15. In exceptional cases, when for special reasons it is deemed expedient that the acceptance of the Medal should not be declined, His Majesty will grant restricted permission. Such cases will be judged on their merits, and the circumstances in which the Medal may be worn will be specified in the Letter conveying His Majesty's permission.

General.

16. The term "person in the Service of the Crown" includes persons in receipt of a salary or pension from Public Funds, or holding a Royal Commission in any part of His Majesty's Dominions, Protectorates or Possessions.

17. Ladies are subject to the Regulations in all respects in the same manner as men.

THE DISTINGUISHED CONDUCT MEDAL.

GEORGE R.I.

George the Fifth by the Grace of God of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, to all of whom these Presents shall come Greeting:—

Whereas Her late Majesty Queen Victoria, by a Warrant under her Royal Sign Manual dated 30th September, 1862, did institute and create a silver medal bearing the words "For Distinguished Conduct in the Field," to be granted to sergeants, corporals and privates of the Regular Army, for individual acts of distinguished conduct in the Field in any part of the world;

And Whereas the rules and ordinances for the governance of the same have been amended from time to time;

And Whereas We deem it expedient that the said Royal Warrant, as well as amendments thereto, which have been heretofore promulgated, or are now to be promulgated, shall be incorporated in a Royal Warrant under Our Sign Manual.

Now, Therefore, We do hereby declare that the rules and ordinances heretofore in force shall be abrogated, cancelled and annulled; and We are pleased to make, ordain and establish the following rules and ordinances in substitution for the same, which shall from henceforth be inviolably observed and kept.

Firstly, it is ordained that the medal which shall be of silver, shall be designated "The Distinguished Conduct Medal," and shall bear on the obverse the Royal Effigy, and on the reverse the words "For Distinguished Conduct in the Field."

Secondly, it is ordained that the Distinguished Conduct Medal may be awarded on the recommendation of a Commander-in-Chief in the Field to Warrant Officers Classes I and II, non-commissioned officers and men, serving in any of Our Military Forces for distinguished conduct in action in the field.

Thirdly, it is ordained that should anyone who has been awarded the Distinguished Conduct Medal be subsequently recommended for such approved act or acts of distinguished conduct in action in the field as would have rendered him eligible for the Medal, had he not already received it, may be awarded a Bar to be attached to the riband by which the Medal is suspended; and that for every additional act or acts of distinguished conduct an additional Bar may be awarded.

Fourthly, it is ordained that the Distinguished Conduct Medal shall not confer any individual precedence, but shall entitle the recipient to the addition after his name of the letters "D.C.M."

Fifthly, it is ordained that the names of those upon whom We may be pleased to confer the Distinguished Conduct Medal shall be published in the London Gazette, and that a register thereof shall be kept in the office of our Principal Secretary of State for War.

Sixthly, it is ordained that the Distinguished Conduct Medal shall be worn before War Medals in such order as We may from time to time assign to it, and that it shall be worn on the left breast pendent from a riband of one inch and one-quarter in width, which shall be in colour crimson, having in the centre a dark blue stripe of a width equal to the crimson stripes on each side of it.

Seventhly, it is ordained:—

(1) that a Warrant Officer Class I or II, non-commissioned officer or man belonging to any of Our Military Forces who has been awarded the Distinguished Conduct Medal shall be paid a gratuity of £20 on promotion to a Commission, on transfer to Our Army Reserve or on discharge without pension;

(2) that if he is discharged with a pension he shall be eligible for an additional pension of 6d. a day for Europeans, and 3d. a day for non-Europeans, if not already in receipt of such additional pension;

(3) that, if he is awarded a Bar or Bars to his Distinguished Conduct Medal, and he comes under sub-paragraph (1) above, each Bar shall for gratuity purposes be regarded as an original award of the medal. If, however, he comes under sub-paragraph (2) above, no gratuity or further addition to pension shall be issuable in respect of a Bar or Bars; and

(4) that soldiers of an Allied or Associated Army, of ranks equivalent to those of Our Military Forces specified in the second clause of this Our Royal Warrant, who have been associated in operations with our Military Forces shall be eligible for the award of the Distinguished Conduct Medal but no pension or gratuity shall accompany such award.

Eighthly, it is ordained:—

(1) that a recipient of the Distinguished Conduct Medal who suffers death by sentence of Court Martial; or, if an officer, is cashiered, dismissed or removed from Our Naval, Military or Air Forces for misconduct; or if a soldier, sailor or airman is discharged from Our Naval, Military or Air Forces with ignominy, or for misconduct, or on account of a conviction by the Civil Power, or for having been sentenced to penal servitude, shall forfeit the Distinguished Conduct Medal (unless otherwise recommended by Our Army Council).

(2) that if a recipient of the Distinguished Conduct Medal is convicted by the Civil Power, or is dealt with under the Probation of Offenders Act, 1907, he shall be liable to a like forfeiture at the discretion of Our Army Council.

(3) that the forfeiture of the Distinguished Conduct Medal shall involve:—

(a) the erasure of the recipient's name from the register of persons upon whom the Distinguished Conduct Medal has been conferred; and

(b) the cessation of any pension or gratuity to which the possession of the medal might entitle the recipient, but no such forfeiture shall extend to any sum of money which has already been paid;

(4) that a forfeited Distinguished Conduct Medal and any forfeited annuity, pension or gratuity attaching to it, may be restored to its former holder under regulations approved by Our Army Council;

Provided that We, Our Heirs and Successors, shall at all times have power to restore a forfeited Distinguished Conduct Medal, and with it such pension or gratuity as may have been forfeited.

(5) that a notice of forfeiture and of restoration under this clause shall in every case be published in the London Gazette.

Lastly, We reserve to Ourself, Our Heirs and Successors full power of annulling, altering, abrogating, augmenting, interpreting or dispensing with these Regulations, or any part thereof, by a notification under Our Royal Sign Manual.

Given at Our Court at St. James's, this 6th day of November, 1920, in the eleventh year of Our Reign.

By His Majesty's Command,
W. S. CHURCHILL.
